Science Fair 2021

The St. Raphael School Science Fair is a months-long project, culminating in a presentation before judges. We are incredibly proud of the

hard work put in by our middle-school students, who came through with stellar projects this year. Congratulations to all!

FINALISTS:

- **First:** Nina Navabi (three years in a row!)
- **Second:** Andrew Partridge
- **Third:** Santiago Bernstein
- **Fourth:** John Coene
- **Fifth:** Ryan Kaufman
- **Sixth:** Connor Ashbarry

HONORABLE MENTION:

- Jane Cronin
- Grant Dudley
- Kiley Flaherty
- Damien Quesnel
- Ella Simon
- Caitlyn Williams

Shout-Out to Our Judges

We thank our esteemed panel of judges for their time and expertise in judging this year's SRS Middle School Science Fair:

- Tony Cammarota
- Carol DeGraba
- Nicholas DeGraba

Returning judge Tony Cammarota

- Andres Dulcey
- William Ott
- Travis Gallagher
- Heidi Wildermuth

Air and Space Camp

Auction item of the week

The winner of this auction item gets to design, build, and test fantastic flying creations, including kites, gliders, planes, rockets, drones, and more! Offered through the popular

Rockville Catholic Summer Program, the item is for a five-day camp for one participant age 9-11.

The SRS spring online auction is April 15-24 and open to all! For details, watch www.straphaelschoolmd.org

Wings Sponsor Spotlight: DrinkMore Water

Long before the "big school" even existed, DrinkMore Water was serving up delicious H₂O to the preschool. We thank owner Bob Perini for his generosity as his team quietly and dependably delivers refreshing bottled water for our students and staff. DrinkMore is the official thirst quencher of SRS and SRNS! Visit them at drinkmorewater.com.
