Day of Giving Tuesday, Feb. 2

"Many Gifts, One Nation: A Day of Giving" is an annual campaign during Catholic Schools Week that begins at noon Feb. 2 and runs for 24 hours. The St. Raphael community is invited to donate toward expenses related to COVID-19 that are taxing the budget of St. Raphael School. We thank all our guardian Angels!

She Said Yes: Belated, but no less heartfelt, congratulations to SRS teacher John Henderson on his engagement! With the Rockville Town Square ice rink as the stage, John proposed to Liana Moris on the couple's one-year anniversary on Dec. 3. John persuaded the ice rink management to clear the venue for the proposal and even pipe in the couple's song, "Nobody But You" by Blake Shelton and Gwen Stefani. John's fiancée is also a teacher, and we wish them both much happiness together. Photo by Sue Kuykendall — our multi-talented school nurse.

Wings Sponsor Spotlight: DecisionPoint | CORTEK

All of us at St. Raphael School are incredibly grateful for the continued support from DecisionPoint | CORTEK, a loyal Wings Sponsor since 2016. CEO Brian Flood, a former SRS parent, shares these beautiful words: "The people of St.

Raphael School live as Christ lived with an uncompromising commitment of love, compassion, dignity, and generosity. The SRS community has brought my family closer to Communion with Christ. Our gratitude is constant."
