A peek behind our classroom doors

## Artists Tea 2021

The Third Grade Artists Tea is a favorite SRS tradition. Guided by art teacher Yolanda Prinsloo, our students recreate pieces by La Belle Époque masters. The class then works with homeroom teacher Alicia Madlala to write poems

describing the creations. Sadly, we couldn't treat our families to tea and refreshments this year, but we were thrilled to showcase our students via video — view it at [bit.ly/artiststea](https://bit.ly/artiststea). At St. Raphael School, we are proud that the arts are an essential part of our curriculum.

## SRS Board and Home & School Association

## Wings Sponsor Spotlight: Our Board and HSA

Working tirelessly behind the scenes is our School Board and the members of the Home & School Association steering committee. From special events to advising administration, these two groups support SRS in myriad ways, and we couldn't do what we do without them. Truly, they are the wind beneath our wings.
