A peek behind our classroom doors

DECEMBER 13, 2020

From Cynthia and Jaime Quiros: "At the Quiros home, we had first place (Daniel, kindergarten), second place (Isabel, SRNS 4's), and third place (Mariel, future SRNS student). It was so much fun participating in this event. Thank you for this great idea!"

Angels on the Run

Angels on the Run 2020 to the pandemic: Bring it! Runners in our ninth annual event —with a theme of "The Masked Runner"—

participated via the JustMove app for the distance of their choice. Our Angels flew high as they displayed their St. Raphael spirit!

Mary Lou Henderson, mom of SRS teacher John Henderson, participates in the run (now we know where Mr. Henderson gets his athletic prowess!).

Laura Long and sons Ryan and Nick finish 1.7 miles in their first Angels on the Run.

Photos submitted by participants

Clockwise from top: Nicholas, Alina, and Sophia—atop dad Mike Mussio for the best view in the house; event co-chair Allen Francois grabs a selfie; Liam and Bill Haardt complete a 1-mile run and a 5K hike at picturesque Little Bennett; the Marshmans make AOR a family affair; and a camera-shy Miguel with mom Sonia Ramirez.
