Bright futures

While grades 4-8 heard from our terrific Career Day presenters (see next page), our younger students enjoyed dreaming of their future occupations!

Career Day Thanks

On Feb. 3, students in grades 4-8 were treated to four incredible presenters, who shared vastly different stories about what they do for a living and the journeys they took to get there. The presentations were conducted over Webex, and students peppered the speakers with questions afterward. We are grateful to these SRS parents for taking time out of their schedules to talk with—and inspire—our students.

Wings Sponsor Spotlight: The Rose Family

Tricia and Michael Rose have been dedicated Wings Multi-Event Sponsors since 2016, and we are truly grateful for their continued support of St. Raphael School in so many ways. In a challenging year with unforeseen expenses brought about by COVID-19, we sincerely thank the Roses—and Michael P. Rose real estate services (www.michaelprose.com)—for being Guardian Angels we can rely on.
