Dear St. Raphael School Parents,

Thank you for your patience as we begin to roll out the opening plan for our year. As we did last year, I am including a Loom to clarify our beginning activities. Today you will also receive the 1<sup>st</sup> Wednesday Weekly from Lara Roach. Hopefully between these 2 things, some of your questions will be answered. As I mention in the video, our teachers are in next week, so more details will be coming your way.
