A peek behind our classroom doors

FEBRUARY 2, 2020

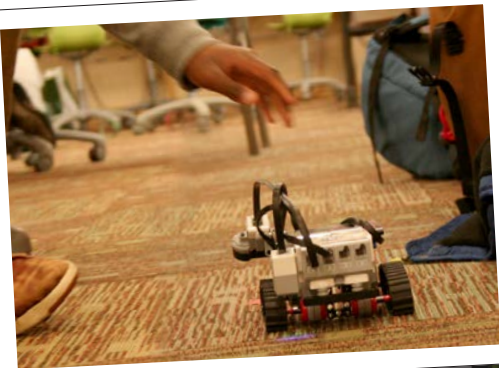

Tech Club challenges minds

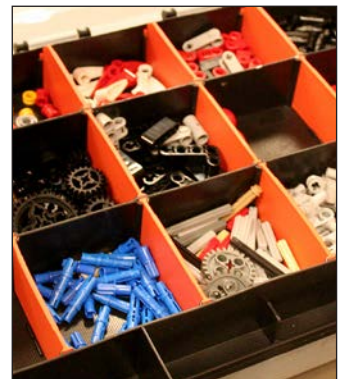

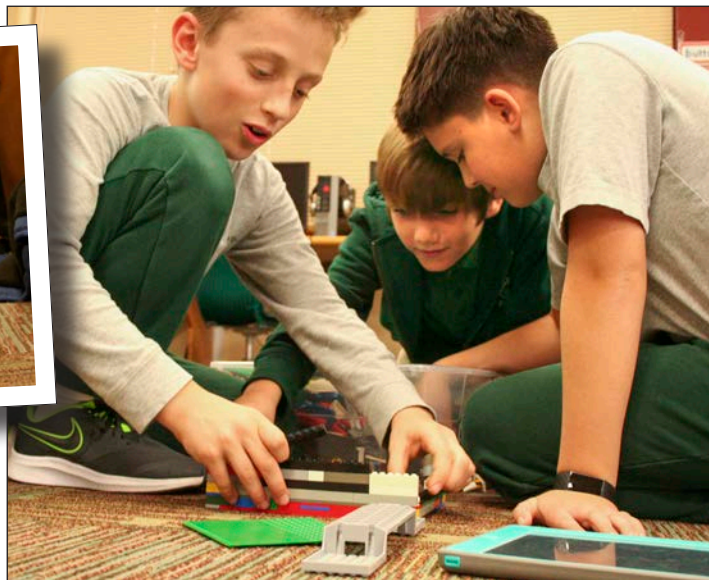

SRS Extracurriculars Spotlight: Tech Club.

On any Tuesday, you'll find students building, designing, coding, and collaborating. Tech Club is STEM focused and includes a robotics

component. Here, two teams were challenged to reduce trash in the ocean. Using Lego Mindstorms EV3, each team engineered a robot to collect refuse found on the ocean floor.

To register, visit straphaelschoolmd.org

A 2019 NATIONAL BLUE RIBBON SCHOOL

Because many of you have asked...

If you're looking for a full-day option for your 3-year-old (or 4 or 4+), St. Raphael Nursery School has you covered. We're enrolling for next year. Visit www.srnsm.org for details, or contact Julie Cress at jcress@straphaels.org.

Don't forget Stay & Play, our drop-in class for toddlers and their caregivers! Join us 9:30 a.m. Monday and Thursdays. All are welcome.
