The Middle Ages Meet 2020

Our fourth-grade students don period costumes and present their family coats of arms for the class' annual Medieval Festival. New this

year? Hosting the event on Webex to not only connect with at-home learners but to allow parents to attend the event remotely.

Help us continue to provide a St. Raphael education

As you begin to determine your year-end charitable contributions, we urge you to consider putting St. Raphael School on your list. During a pandemic with unprecedented challenges, we have been providing in-person and virtual instruction from preschool through eighth grade. While we are incredibly proud of our students and grateful to our staff during this tumultuous time, there is a significant financial toll associated with our success. Equipping our classrooms with COVID-19 safeguards, upgrading technology to conduct virtual instruction, and purchasing supplies for increased sanitation have created a strain on the school's budget.

This year, for #GivingTuesday, we are raising funds to combat the unanticipated expenses brought about by COVID-19. With your help, we can continue to fulfill our mission of offering a St. Raphael Catholic education. Feel good about where your dollars are going by donating to your parish school on or before #GivingTuesday, Dec. 1. Thank you, guardian Angels!
